

Dawson High School

PRE-AP PRE-CALCULUS

Joe Betters

bettersj@pearlandisd.org

I would like to welcome you to your new school year. I look forward to getting to know you and sharing this year of high school with you. We have a lot of work to do this year. This class requires a lot of time which will help prepare you for your future. My goals are for every student to be successful, as well as be prepared for Calculus next year!

Pre-AP Pre-Calculus students will accept full responsibility for:

1. Attending all classes.
 - a. If absent, you will obtain all missed assignments on the class REMIND, MATHXLFOR SCHOOL.COM (online textbook), or CANVAS.
2. Completing all assignments in a timely manner.
 - a. Assignments outside of class are required components of this course.
 - b. Late assignments will be graded according to the district policy.
3. Communicating with your teacher about any issues you are having in the class such as:
 - a. No internet access.
 - b. Issues with your device
 - c. Struggling with a concept or an assignment.
 - d. Conflict with tutorials.
4. Not required, but very highly recommended to bring to class everyday:
 - a. TI-Inspire
 - b. I-pad or laptop
5. Class expectations:
 - a. Be Prepared
 - b. Be Respectful
 - c. Be Responsible
6. Grading Policies:
 - a. Tests and Projects 60%
 - b. Quizzes and Homework 40%
 - c. You must use one of our Inspire Calculators for all tests and quizzes
 - d. You may retest 2 tests per nine weeks for up to a 70
7. Supplies:
 - a. Folder for notes

I want you to be successful this year. I want you to believe in yourself. I want you to be proud of your accomplishments.

****I will give instructions for signing up for mathxlforschool.com and remind the first week of school****
