Password: *same as school password

Topics Covered

Term 1

- Numbers and Operations (All operations with integers, decimals, and fractions)
- Proportionality (unit rate, constant rate of change)

Term 2

- Proportionality (conversions, ratio/rate, percent, similarity)
- Probability (simple event, complement, predict)

Term 3

- Expressions, Equations, Relationships
- Measurement (Circumference/Area/ Volume)
- Graphing and Statistics

Term 4

- Personal Financial Literacy (sales tax, budget)
- Semester Review
- Preparation for 8th Grade Math

Bobcat Expectations:

BE SAFE
- Walk calmly when entering and exiting the classroom.
- Keep your hands, feet and objects to yourself.

BE RESPONSIBLE
- Bring required materials to class.
- Sit in your assigned seat before the bell rings.
- Be ready to learn.

BE RESPECTFUL
- Be quiet when someone is addressing the class.
- If your words are hurtful, don't use them.
- Be kind to everyone you encounter everyday.

*ALL math work **must** be done in pencil.

Consequences :

1st Offense : Warning/loss of privileges.

2nd Offense: 30 minute teacher D-Hall (Parents notified)

3rd Offense : 30 min. lunch detention (Parents notified)

All subsequent offenses will be referred to the office.

Absent Work:

Students are responsible for absent work. Check **Absent Work File** upon return.

Because we build on concepts each day, it's important for you to keep up with the material. Please attend tutorials if you fall behind due to absences.

Tutorials:

I will have tutorials several times each week. Weekly tutorials will be posted on my teacher web page and outside the classroom.

Students may attend tutorials with another math teacher if I am unavailable.

PM tutorials (Thurs): 4:00 to 4:30
AM tutorials (Tues/Fri): 8:00 to 8:25

You are more than welcome to schedule additional tutorial times. I am often available after school.

Contact Information:

Please check my teacher webpage for additional class information.
